

# Improving Patient Satisfaction

Overall, **how satisfied were you** with your recent Telemedicine Infectious Diseases visit?

The Infectious Diseases doctor explained things in a way that was **easy to understand**.

The Infectious Disease doctor **spent enough time with you** and provided the attention needed.

How likely would you be willing to be cared for by an infectious disease doctor **using telemedicine again?**

**Rate your comfort level** with the Telepresenter nurse assisting with the exam during the telemedicine visit.

“I felt very comfortable with the doctor; they answered all of my questions.”

“**He explained my situation very well.** I felt very comfortable with him. He gave me hope and options as to future treatment. A very personable man. **I am extremely impressed.**”

“Very patient and caring. Thank you.”

“Very pleasant and gave me hope. **Very knowledgeable.**”
